Dear Sir:

Confirming the telephone conversation between Applicant's representative and Examiner Ford, please ignore the response to the Election of Species Requirement that was mailed on April 18, 2006 in the above referenced application. That response should have been directed to Application Serial No. 10/700,721. Applicants have re-filed the response referencing the 10/700,721 application. Applicants will respond to the Election of Species Requirement in this application at a later date. Applicants thank the Examiner for his cooperation in this matter.

Very truly yours,

A handwritten signature in black ink, appearing to read "Michael J. Schmidt", is written over a horizontal line.
